

Climate Alliance Working Group on Financing

Meeting 2018

1 October 2018, 15:00 – 17:30 | Recinte De L'Escola Industrial, Carrer del Comte d'Urgell, 187, Barcelona, Spain

Climate Alliance established the **Working Group on Financing** in 2012 to help interested local authorities get clarity on the great potential that exists to fund their initiatives. The working group focuses both on European support programmes and on exchanging local experience with innovative financing models.
