Statements from Climate Alliance’s past

The protection of the biosphere and the preservation of the world climate will be the most important tasks for environmental policy in the coming decade.

Der Schutz der Biosphäre und die Erhaltung des Weltklimas sind die wichtigsten Aufgaben der Umweltpolitik im kommenden Jahrzehnt.

Statements from Climate Alliance’s past

For European cities, the Climate Alliance is a step towards overcoming the paralysis that threatens to affect everyone in the face of a global catastrophe caused by industrialised countries and their so far totally inadequate response.

Für die europäischen Städte ist das Klima-Bündnis ein Schritt zur Überwindung der Lähmung, die angesichts einer von den Industriestaaten verursachten globalen Katastrophe und angesichts der bisher völlig unzureichenden Gegenmaßnahmen alle zu ergreifen drohen.

Statements from Climate Alliance’s past

Although energy policy to date has brought unforeseeable dangers to the ecological balance of the planet, investments are still being made in the old structures and valuable time is being lost.

Obwohl die bisherige Energiepolitik unabsehbare Gefahren für das ökologische Gleichgewicht des Planeten mit sich gebracht hat, wird noch immer in die alten Strukturen investiert, [dabei] geht wertvolle Zeit verloren.

Statements from Climate Alliance’s past

Amazonia, as the lungs of the world, finds itself going through a process of contamination, a process of obliteration.

Amazonien, als Lunge der Welt, befindet sich aber in einem Prozess der Kontaminierung, in einem Prozess der Vernichtung.
