Dept. of Climate Protection, City of **Kaiserslautern,** Germany

Discussion – Breakout Groups

Moderators: Katrin, Lea, Simon, Eva

- What happened in your city during the first months of the pandemic?
- What were the most difficult challenges and what developments in your city surprised you positively?
- How can we implement the necessary changes to prevent and overcome these different crises simultaneously without sacrificing action on either of them?

Discussion - Feedback

Share your three main points

In 3 minutes

Conclusions

How to move forward at all levels of governance?

Workshops to follow:

13:00 CET

Learning from the crisis

In this session you can dig deep in local adaptation strategies continuing the Panel discussion

Financing solutions for sustainable climate investments

European examples for financing solutions for measures mitigating the pressures of the climate crisis

Join us for a networking lunch!

Time to exchange

Simply go to bit.ly/CA-Networking (Link in Chat), enter your name, take a photo and start networking!

This Zoom session will now be inactive. The networking space will remain open until 13:00 pm CET

If you have any questions or need technical support for Wonder, you will find a help desk in the application itself.

See you in our networking session!
