

Climate Alliance

Hopes and demands for COP24

From 1 to 3 October 2018 at the Climate Alliance International Conference in Barcleona, participants wrote their hopes, demands and expectations for the future and for the politicians at COP24 in Katowice.

Here are some excerpts of what they said...

Climate Alliance

Hopes and demands for COP24

“The other way around: think local, act global!”

“LET’S GO FAR & FAST & TOGETHER”

“More cycling!”

Climate Alliance

Hopes and demands for COP24

“Climate action now!”

“More tailored funds for climate action in cities!”

Climate Alliance

Hopes and demands for COP24

*“Quality norms for coal usage in
polish households*

&

*More understanding for international
knowledge and experience exchanges to
support less experienced municipalities”*

Climate Alliance

Hopes and demands for COP24

“Climate mitigation & adaption as an obligation for all municipalities!”

“Eliminate climate-damaging vehicle emissions”

“Reduce individual car usage”

Climate Alliance

Hopes and demands for COP24

“The world trade organisation needs to intervene in production and trade in accordance with climate change struggles”

Climate Alliance

Hopes and demands for COP24

“Make peace with climate protection”

“Bring climate protection into law”

“Establish a system of locally determined contributions at COP24”

Climate Alliance

Hopes and demands for COP24

“Switch off your ‘stand by’

&

Empower the citizens

&

*Work in connection with all stakeholders and in
multi-governance”*
